Case No. _____

JURY TRIAL DEMANDED

COMPLAINT AND DEMAND FOR JURY TRIAL

Plaintiff, JSB Enterprises, LLC. ("JSB") by and through their undersigned counsel, hereby file this Complaint against Defendant Nav Technologies, Inc. ("Nav") for defamation. In support of this Complaint, Plaintiff alleges the following:

PARTIES, JURISDICTION, AND VENUE

1. Plaintiff JSB was and continues to be a Virginia limited liability company headquartered in the City of Barboursville, located within the County of Greene, Virginia, at all times material hereto.

2. Defendant Nav is a corporation organized under the laws of Delaware, with a principal place of business in Utah, and conducts business in Barboursville, Virginia, and across the nation via the worldwide web.

3. This Court has subject matter jurisdiction pursuant to Va. Code Ann. § 17.1-513.

4. This Court has personal jurisdiction over Nav pursuant to Va. Code Ann. § 8.01-328.1(A)(1)-(4).

5. Venue is appropriate in this Court pursuant to Va. Code Ann. § 8.01-262(3) and (4).

FACTUAL BACKGROUND

6. JSB has been engaged in the business of providing services related to shipping and logistics since 2011.

7. Nav is in the business of collecting, tracking, reporting, and publishing information about the creditworthiness of individuals and businesses, in addition to matching businesses with potential lenders.

8. Nav offers free and paid versions of its service. Any individual or business, after creating an account, can access information about the creditworthiness of other businesses and their owners.

9. Nav has claimed to only publish data in its original form, as provided by credit bureaus such as Experian, Equifax, and Dunn & Bradstreet.

10. Nav has, at least monthly, and by any account holder's request at any time, published statements and information regarding JSB's creditworthiness through its online platform accessible to the public.

COUNT 1: DEFAMATION

11. In this instance, each publication, regardless of whether the content has substantially changed month-over-month, is actionable since each report provides a "snapshot" of the creditworthiness of a particular business at a particular time. It is commonly known and well-

established in the credit reporting industry that the effects of delinquent reporting wane significantly over time. Because of this, a derogatory report published in one month or year is “substantially different” than the same or similar derogatory report published in another month or year, as the recency of delinquency is a critical factor considered by lenders and the public when assessing the creditworthiness and trustworthiness of a business.

12. Nav has published statements regarding the creditworthiness of JSB, representing that those statements were originally made and published by Equifax, and simply republished by Nav. These statements were defamatory in that not only were they materially false, but they were not originally made or published by Equifax and differ greatly from JSB’s excellent credit history as reported by Equifax and its secondary reporting company, Ansonia, among others.

13. Specifically, Nav most recently published an “Equifax” “Business Delinquency Score” of 381 out of 662 on November 1, 2021, and October 12, 2021 (see Exhibit A, incorporated herein by reference). However, Equifax has not published or provided risk grades of any sort, for any business, since March of 2020.

14. In addition, Nav published defamatory statements on November 1, 2021 in its detailed “Business Credit Report” (see Exhibit B, incorporated herein by reference). Specifically, stating that there is “Evidence of Non-Financial Trades that are Cycle 2+ Delinquent or Charge-Off Currently.”

15. Furthermore, reports obtained directly from Equifax, and its secondary reporting company, Ansonia, contain only favorable information regarding the creditworthiness of JSB, irrespective of the existence of any past or present Equifax “Business Delinquency Score” (See Exhibit C, incorporated herein by reference).

16. These statements were defamatory and libelous, *per se*, and were made with actual malice, knowledge of the false statements contained therein, and/or with reckless disregard for the truth, having been repeatedly put on notice by JSB and alerted to the fact that the statements being published were false.

17. Nav either knew that the statements were false, or believing them to be true, lacked reasonable grounds for such belief, or acted negligently in failing to ascertain the facts on which they were based. Therefore, Nav was negligent in the authorship and publication of statements made to the public.

18. The defamatory statements create and make apparent a substantial danger to JSB's reputation.

19. As a proximate result of Nav's libel, malice, and negligence, JSB has suffered and will continue to suffer permanent and actual damages, including, but not limited to, loss of business opportunities, impairment of reputation, and diminished standing in the community.

20. The publication of these false statements have subjected JSB to ridicule and contempt, and has damaged JSB's good name and reputation, and it imputes JSB with some unfitness to perform the services it offers or a want of integrity in the discharge of those services, all to the prejudice of JSB in its industry.

PRAYER

WHEREFORE, the Plaintiff respectfully requests this Court enter judgment against Defendant as follows:

- A. Compensatory damages against Defendant and in favor of Plaintiff in an amount not less than \$125,000 for reputational harm, pain and suffering, and economic loss;
- B. Punitive damages in an amount not less than \$100,000;

- C. Pre- and post-judgment interest;
- D. The costs of this action; and
- E. Such other and further relief as the Court deems just and proper, including injunctive relief.

Dear JSB ENT LLC,

Thank you for requesting disclosure of the report for JSB ENT LLC. The business report contains financial and non-financial information reported by third parties relating to your business. Equifax has taken great care to report this information correctly.

The business report is designed to capture the complete history of the business including payment history and public record information. A change of ownership, a change of legal entity type (sole proprietor to LLC), a change of location, an expansion to additional locations, or other common business events do not eliminate historical data regarding the business.

Equifax provides a business with a dispute process to address any perceived inaccuracies on the report. The dispute process is not intended to provide the business an opportunity to dispute and request the removal of accurate historical information (positive or negative) about the business. A business has the opportunity to provide a statement of explanation that can be added as a comment to the report. The comment may be reviewed and/or used by recipients of a business report to help understand a business' past history. Depending on the nature of the statement, Equifax may require supporting documentation.

Please help us in achieving even greater accuracy by carefully reviewing your company's report. If you believe there is any inaccuracy with the information contained in the report, please complete the enclosed Research Request Form. Please duplicate the form for each dispute. Upon completion of the form(s), mail or fax the form(s) to our office at the address or fax number provided above. Upon receipt of the completed Research Request Form(s), Equifax will forward a request for verification to the reporting entity. After completion of the verification process, Equifax will notify you in writing of the results.

Thank you for the opportunity to serve you.
